

Special Council Meeting  
May 9, 2022 6:30 PM

Mayor Scott Schultz called the special meeting to order at 6:30 pm. Present were Council Members Kale Dankenbring, Amanda Milne, and Dara Carmichael. Also present were City Clerk Lila Whitmore and Assistant City Clerk Leann Lee. Council members Larry Finley and David Butler were absent.

The meeting was called for the City Council to meet with the Theater Board to review and discuss the theater renovation project. Theater board members present were Robert Grace, Pat Cress, Larry Barnes, and Jude Faulkender. Theater manager Jessica Lee and assistant manager Emily Mullins were also present.

Robert Grace walked the Council through the plans for the theater renovation. It would be an extensive renovation including, but not limited to, the bathrooms, wiring, ceiling tiles, emergency exits, concessions area, and a new sound system. Robert also presented an analysis comparing the costs of renovation to the costs of building a new theater along with what he believes are the pros and cons of each.

The Council agreed there was much to consider and thanked the board for their input. No decisions were made and the topic will be tabled for further discussion at a regular Council meeting.

A motion was made by Amanda and seconded by Dara to adjourn the meeting. Motion passed.
